## GENERAL CT

Specifically suited for general suburban, city and freeway driving.

### Features Include:

- Whisper quiet braking
- Noise and vibration virtually eliminated
- Noticeably less dust
- Improved stopping performance
- No bedding in
- Instant pedal feel from the first stop
- Noise absorbing shims.

\*Not applicable to some references

## HEAVY DUTY

For hard working vehicles such as utes, vans and pick-ups carrying loads in city driving or on construction sites.

### Features Include:

- Lasts up to twice as long as general-purpose brake pads in extreme operating conditions
- No bedding in
- Instant pedal feel from the first stop
- Noise absorbing shims.

## ULTIMATE

Ideal for energetic driving styles, competition and high speed freeway driving.

### Features Include:

- OE stopping power with quieter braking and smoother performance
- Improved wear life of brake pads and rotors
- Improved environmental protection by using more organic materials
- Improved green friction and reduced brake fade
- Noise absorbing shims.

## 4WD SUV

Bendix 4WD/SUV is engineered to meet the diverse conditions your customers vehicles will encounter.

### Features Include:

- Smoother, cleaner braking
- Increased material strength under extreme conditions
- Increased heat resistance at high temperatures
- No bedding in
- Instant pedal feel from first stop
- Noise absorbing shims.

## EURO+

Bendix Euro+ are the superior brake pads to supply and fit on European vehicles.

### Features Include:

- Complete kit includes pads, shims, sensors, where contained in OE equivalents
- Reduced dust for cleaner braking
- No bedding in
- Quiet and smooth braking performance
- Designed specifically for European vehicles
- Meets ECE regulation 90.

## STREET ROAD TRACK

Essential for sports and performance car enthusiasts in high speed driving applications.

### Features Include:

- Friction stability for consistent braking... from the first stop until last
- Low fade when the heat increases
- High friction performance brakes that respond to your driving style.

**NO BEDDING-IN MEANS FASTER BRAKE JOBS.**

Leading Bendix technologies such as Blue Titanium Stripe, reduce the time it takes to complete a brake change in your workshop.

- Blue Titanium Stripe requires no bedding-in
- Saves you time and money in your workshop
- Delivers stopping power straight out of the box.
