

# ULTIMATE 4WD BRAKE UPGRADE KIT

The **Bendix Ultimate 4WD Brake Upgrade Kit** with advanced brake pads and rotors, braided lines and a host of ancillary items is the ultimate brake upgrade for the latest 4WD vehicles such as Ranger and Hilux.

## Contents

- 2 x Ultimate Brake Rotors
- 1 x Set of Ultimate 4WD Brake Pads
- 1 x Vehicle Set Ultimate Brake Hose
- 1L Heavy Duty Brake Fluid
- 1 x Can Bendix Cleanup
- 1 x Tube Ceramasil Brake Parts Lubricant
- 1 x HD touring case
- Installation details

This comprehensive kit includes specially compounded high performance **CERAMIC** material brake pads for increased stopping power in extreme conditions plus the latest **Bendix Ultimate Rotors** designed and developed specifically for Australia's demanding conditions.

### ULTIMATE 4WD BRAKE PADS

| FEATURES:                                 | BENEFITS:   |
|---|---|
| Ceramic Material                          | ■ Low Dust, Low Noise, while providing high temperature stability and excellent fade resistance                                   |
| Mechanical retention system backing plate | ■ MRS technology used in commercial vehicle brake pads, for improved pad attachment strength, for heavy duty operating conditions |
| Designed for Slotted Rotors               | ■ Works best with slotted rotors, delivers confident stopping in all conditions   |

### ULTIMATE 4WD ROTORS

| FEATURES:              | BENEFITS:   |
|------------------------|---|
| Diamond Tip Slot       | ■ Allows gasses to escape in heavy duty driving, delivering consistent output<br>■ Better self cleaning for off road conditions |
| High Carbon Metallurgy | ■ Noise damping, thermal conductivity, improved durability and increases brake performance & stopping power                     |
| SwiftFit               | ■ Protective zinc coating which is ready to fit   |
| Pillar Construction    | ■ Improved thermal stability  |

### ULTIMATE BRAKE HOSE

| FEATURES:                           | BENEFITS:   |
|-------------------------------------|---|
| Braided line with protection sleeve | ■ Delivers a firm brake pedal, that won't over expand under high pressure |
| Meets SAE J1401                     | ■ Compliant to international design standards, won't affect warranty      |
| Designed to fit                     | ■ Fits your application without any modification                          |
